

BroilVection™ MORE FLAVOR. LESS ENERGY.

The JF63, a new high capacity broiler, with BroilVection™ technology, delivers superior products and saves up to 40%* in energy costs.

The Jet Flow Broiler, JF63 is a high capacity broiler, designed to broil multiple products at the same time with low energy use, while being simple to operate and maintain.

The result?

- Delicious char-broiled flavor and color
- Energy savings
- Cuts operator cost
- Less kitchen heat
- No burner replacement
- Plug and play operation

Look what you could save every year!

Typically, \$2,900 in energy, burner and operating costs.

GREAT NEW LEASE TERMS! NOTHING DOWN AND NO PAYMENTS FOR 60 DAYS!

Call us today at 1-800-643-2656 for more information.
